Payer ID Change Notice

Dear Senior Whole Health of New York Provider,

Thank you for being a valued part of our network. We're writing to tell you that our payer ID is changing effective 4/1/2021. The new payer ID is SWHNY. Please update your billing records and inform your billing companies.

New payer ID: SWHNY

Claims submitted under the incorrect payer ID will be denied resulting in delay of payments, and will require resubmission with the correct payer ID.

If you have any questions or need additional information, please contact the Provider Relations team at SWHProviderRelationsNY@magellanhealth.com or reach out to your dedicated Provider Relations representative.

Sincerely,

Senior Whole Health of New York Provider Relations
